♥ Jackie Yates Salon has been honored and privileged to offer Bridal Services since 1989 to the North East Georgia & Atlanta Area:

**WE OFFER ON-LOCATION (for a \$150 travel fee) & IN-HOUSE HAIR & MAKE-UP FOR WEDDINGS.**

♥ We work hard so that there is nothing more important on your special day than to be the beautiful, relaxed bride. Our sole purpose on your special day is to pamper you the bride, her family, and friends. It will be our privilege to be a part of your special day!

♥ *In addition to first-class pampering...everyone who decides to get both hair & makeup services will receive a travel hairspray & lipstick for the Big Day.* Your Bridal Image Consultant will have both the travel size hairspray and lipstick for those who are receiving both hair & makeup services ...as this can be used to freshen-up throughout the day.

♥ **Your Practice Session! Hugely Important to most brides!** We usually try to do these about 1 month – 2 weeks before your wedding. We spend about 2 hours with you. We want to make sure that everything is just right! We encourage you to bring tear-sheets/photos/email photos to us – anything that helps you to communicate the style and look you are requesting for your special day. We take detailed notes and digital photos as to duplicate your Bridal Look on your precious day! We encourage you to come to your Practice Session with the make-up on your face that you normally wear on a daily basis. This will give us an idea of what you like and how you wear it.

**\*If you don't have the time or desire for a Practice Session, that's ok too. We'll build in a little extra time on the wedding day, talk more ahead of time and take it slower on the wedding day.**

♥ **Filling out your contract** – please fill it out as completely as possible. It is a legal document. Take care in making sure that all the info is included and is correct and that you have read and understand the details of the contract and services you are requesting. Make sure you check with your wedding party to see which services they would like as well so you can fill that portion of the contract in correctly. Many of our brides pay for all or part of their bridesmaids' services. You can add on services (if time allows) but cannot take services off of your contract once the contract is filled out, signed, and turned into Jackie Yates Salon.

♥ **We are happy to add in your hair extensions** – please bring them with you to your Practice Session. Please know that we will be in need of charging you **\$35 extra** to put these into your hair. You do provide and bring your own hair extensions. We are happy to give you some advice on this, but we don't purchase these for you because you need to match your hair. If your bridesmaids ask for this service on the wedding day, please let us know ahead of time for planning purposes. They will also be charged for this service.

♥ **We are happy to apply false eyelashes** – This is a service that we can provide to the bride and/or the entire wedding party. We need to know ahead of time so that we come prepared with the lashes. We do provide the lashes and glue. Bridal Session Lashes are \$10. Wedding Day Lashes for the bride or others is \$15.

♥ **The gratuity (20% of the total balance)** will be calculated and collected 4 weeks before your wedding along with your final balance. Over the years we have discovered this is the best method due to the long list of tasks a bride must tend to on her wedding day. Having cash on hand on the wedding day has proven to be a stressor for our brides.

♥ **We perform On-Site services for an additional \$150 travel fee for 3 stylists. Whether you want your Bridal Image Consultant to come to Your Home or Your Hotel Room on your wedding day or to the Bride's Room at the church; We Come To You.** An extra \$75 charge per Bridal Image Consultant traveling will only be charged if coming over 1 hour from our home. (Most of our Bridal Image Consultants live in Gwinnett County; this is 35 minutes NE of downtown Atlanta.)

♥ Thank you for choosing the Jackie Yates Salon Bridal Team for your special day! We are honored to be a part of your newly treasured memories.
